

## Privacy Policy

Below is Klosanow's Privacy Policy, which explains what personal information we collect and how we use the information. To protect your privacy, Klosanow follows different principles in accordance with worldwide practices for user privacy and data protection.

This Privacy Policy covers the use of the Klosanow website (the "Site") and the products, software, data feeds, and services (collectively with the Site, the "Service") provided by Klosanow. ("Klosanow," "We," "Our" or "Us"), including how Klosanow treats information, including personal information, that we collect and receive.

The term "Personal Information", as used in this Privacy Policy, refers to any information that can be used to identify a specific person, or any anonymous information (e.g. IP address) that is linked to a specific person. Personal Information does not include information that has been aggregated or made anonymous such that it can no longer be reasonably associated with a specific person. This policy in no way restricts or limits our collection and use of aggregate information, and we may share aggregate data about our users with third parties for various purposes.

This Privacy Policy is part of and incorporated into Klosanow's Terms of Use ("Terms of Use").

Klosanow values your trust and confidence. We are committed to safeguarding the privacy of your information at all times. You may add, delete or modify your Personal Information at any time. Subject to your permission or as specifically stated in this Privacy Policy, we will not sell, exchange or otherwise share your Personal Information with third parties for any reason.

### Information Collection and How it is Used

-Personal Information such as your name, username, email address, phone number, password

-Information Sent to Us by Your Web Browser. We collect information that is sent to us automatically by your Web browser. This information typically includes your IP address, the name and version of your operating system, the name and version of your browser, the date and time of your visit and the pages on this Site you visit. Please check your browser if you want to learn what information your browser sends or how to change your settings. This information does not identify you personally. Generally, we use this information to improve this Site and make it more compatible with the technology used by our visitors. However, we may link information sent by your browser to information that identifies you personally. For example, if you are a registered member, we may link your IP address to information that identifies you personally. In addition, if we suspect criminal activity, we may share our server logs with the appropriate investigative authorities who could use that information to trace and identify you.

-Cookies and Other Similar Technologies: We (or our third-party service providers) may use various technologies to collect and store information when you visit our Service, including clear GIFs (also known as "web beacons"), "tags", "scripts", and "cookies". We also make use of

persistent secure cookies: a persistent cookie remains after you close your browser (although they can be removed) and may be used by your browser to identify you on subsequent visits to the Service. We may also use, collect and store information locally on your device using mechanisms such as browser web storage (including HTML 5). Like many services, Klosanow uses these technologies to tailor the Service for you, and to help the Service work better for you

-Usage Information: Like most online services, when you use our Service, we automatically collect and store certain information in our server logs. This information helps us make decisions about what we should work on next - for example, by showing which features are most or least popular.

Examples include:

Details of how you used our Service, such as your activity on the Service, and the frequency and duration of your visits to the Klosanow Website or Klosanow Web App.

Device event information such as crashes, system activity, hardware settings, browser type, browser language, the date and time of your request and referral URL.

### Will Klosanow share any information it collects?

Klosanow does not sell or rent your, or your students' personal information to any third party for any purpose - including for advertising or marketing purposes. Furthermore, we do not share personal information with any third parties except in the limited circumstances such as:

- Aggregated Information and Non-Identifying Information: We may share aggregated, nonpersonally identifiable information publicly, including with us, partners or the press in order to, for example, demonstrate how Klosanow is used, spot industry trends, or to provide marketing materials for Klosanow. Any aggregated information shared this way will not contain any personal information. If we choose to share this information with any third party, we will take necessary measures to ensure that the third party agrees not to engage in re-identification or the combination of Non-Identifying Information with other data sets that may pose a risk of re-identification.

- Legal Requirements: We may disclose personal information if we have a good faith belief that doing so is necessary to comply with the law, such as complying with a court order or other legal process. We may need to disclose personal information where, in good faith, we think it is necessary to protect the rights, property, or safety of Klosanow, our employees, our community, or others, or to prevent violations of our Terms of Service (/terms) or other applicable agreements. This includes, without limitation, exchanging information with other companies and organizations for fraud protection or responding to government requests.

### How does Klosanow protect and secure my information?

Your Klosanow account is protected by a password. You can help us protect your account from unauthorized access by keeping your password secret at all times. The security of your personal information is important to us. We work hard to protect our community, and we maintain administrative, technical and physical safeguards designed to protect against unauthorized use, disclosure of or access to personal information.

### Other Countries

Klosanow is hosted in Nigeria. If you use the Service from any other regions with laws governing data collection, protection and use that may differ from the Nigeria law, please note that your personal information will be transferred outside of those jurisdictions to the Federal Republic of Nigeria. By using the Service, you expressly consent to this, and to the use and storage of personal information in accordance with this Privacy Policy.

### Privacy Policy Changes

Klosanow may, in its sole discretion, modify or revise this Privacy Policy from time to time. We may attempt to notify you when major changes are made to this Privacy Policy, but you should periodically review the most up-to-date version. Your continued use of the Service following the posting of any changes to this Privacy Policy constitutes acceptance of those changes.

### DISCLAIMER

By this Policy We do not represent or warrant the condition or functionality of Our platform(s), its suitability for use, nor guarantee that Our service will be free from interruption or any error. No liability or responsibility shall lie for risks associated with the use of Our Platform, including but not limited to any risk to your computer, software or data being damaged by any virus, software, or any other file that might be transmitted or activated via Our Platform or your access to it. Neither do We guarantee the reliability of information contained on Our Platform—particularly those shared by other users.
